### Media Policy

June 20, 2018

#### Policy

One of the primary roles of the Honolulu Ethics Commission is to maintain and improve public confidence in government officials and employees. One of the ways in which it fulfills this role is by communicating with the public through the news media. The purpose of a news release from the Commission is to summarize and communicate to the public the important positions or actions taken by the Commission, as well as their impact on the public and the integrity of city government and city officials. In response to media queries, the Commission will strive at all times to convey accurate information while maintaining required confidentiality.

#### Procedure

The following procedures will be followed as reasonably practicable:

1. Media interaction will aim to educate and inform the public and city workforce about the City ethics program, including the standards of conduct governing the work of City officers and employees, ethics training, legislation, statistics, and Commission priorities.
2. In news releases about formal advisory opinions and findings, staff should refrain from interpreting the opinions and findings. However, it is permissible to extrapolate from advisory opinions or findings of the Commission to comment on how those opinions or findings may affect future hypothetical situations.
3. All media enquiries should be directed to the Executive Director/Legal Counsel ("EDLC"). The EDLC will respond in the normal course. At the earliest reasonable opportunity, the EDLC will inform Commission members by email of the content of comments made to the media. To avoid confusion and potentially contradictory information, Commission members and staff should not communicate with media on behalf of the Commission. However, Commission members and staff are permitted to comment publicly in their individual capacities.

4. Comments in a news release shall be attributed to either the Commission or Commission staff, as consistent with the statement being reported.
5. All written media communications shall be sent to the following, in order:
  - Ethics Commission members
  - Complainant(s) and respondent(s), if applicable
  - City administration (mayor, managing director, cabinet)
  - Councilmembers
  - Media
  - Members of the public who have asked to receive Commission news releases
  - Departmental administrative service officers
  - Other requestors
